

Spencer Benedict Stables, LLC

The Celebration is almost here! Entries have been made and the guys are getting ready for the big show!

Just like last year, we will be having the hospitality room and we invite those who wish to do a night of food to let us know as we will do our best to schedule where we do not overlap. We will post the schedule on our website. There will be both a show schedule and food schedule. You can find both of those calendars here <https://www.spencerbenedictstables.com/twhnc>

If you have promotional items such as banners, hats, koozies or other promotional items please let us know, you are more than welcome to display or handout those items.

If you need a car pass, please let us know.

Best of luck to each of you and most of all have fun.

If you need any assistance, please do not hesitate to contact us:
